---

[1]

Since 2013, JSC "Information-Analytic Center" under the Ministry of Education and Science of the Republic of Kazakhstan (MES RK) coordinates implementation of the joint project with the Organization for Economic Cooperation and Development (OECD) and the World Bank on school resources. The project is aimed at external independent evaluation of the effectiveness of management, distribution and use of financial, human and technical resources.

The OECD - World Bank "Policy review to improve the efficiency of resource use in schools" is carried out in 15 countries. Kazakhstan is the first country to complete the study. Field research included 53 meetings, visiting schools and 6 268 interviews in the course of two visits to Kazakhstan in February and April of 2014.
