[Home](#) > JSC "Information-Analytic Center" has finished realization of Kazakhstan's first international study PIRLS-2016 (Progress in International Reading Literacy Study)

[1]

4 944 kazakhstani 4th graders from 172 schools of the country performed unique tasks and answer the questions that determine the level of reading competence of younger students.

The questionnaire took the parents of 4th graders, class teachers and school principals.

We express our gratitude to our students and their parents for their active participation in the study.

All materials of international studies PIRLS-2016 will be transferred to the International Consortium.

The results of all the member countries of the IEA study will present in December 2017.
