From 22 to 25 September Representatives of JSC “Information-analytic Center” participated in International Conference “Monitoring, ratings, rankings as tools of education quality management” (St. Petersburg, Russia). The Conference was organized by Eurasian Association for Educational Assessment and the National Research University "Higher School of Economics".

The Conference was attended by International experts in the field of education quality assessment (USA, Great Britain, Mongolia, Lithuania, Armenia, Belarus, Kyrgyzstan, Tajikistan, Moldova, Russia)

The focus of the Conference was the management of education quality through the design and implementation of tools such as monitoring, ratings, and ranking, evaluation of meta-subject and personal educational results.

In the framework of session 5.3 “Diversity of approaches and tools of assessment: experience and reflection” the Vice President of Information-analytic center A. Kultumanova made a presentation on “Indicators of education system: what do we measure, why and how?”
