[Home](#) > Department of Educational Statistics and Information System Maintenance

---

The purpose of the activity is the Department of Educational Statistics and Information System Maintenance (hereinafter referred to as the Department) is the collection and processing of statistical data in the field of education and the formation of administrative accounts of the Ministry of Education and Science of the Republic of Kazakhstan. Also, the Department ensures the alignment of national educational statistics with international indicators of the UNESCO, Institute for Statistics, OECD, World Bank and other international organizations and the publication of the annual National Compendium "Statistics of the Education System of the Republic of Kazakhstan".

In the framework of this work, the Department provides consulting support (methodological and technical) for gathering departmental statistics when working with the information system "National Educational Database".

The Department interacts with the structural units of the Ministry of Education and Science of the Republic of Kazakhstan in collecting statistical data, making changes and additions to the administrative reporting forms, as well as preparing and publishing statistical books, brochures, methodological recommendations and information and analytical materials. Within its competence, the Department takes part in the development of normative-legal and basic program documents of the Ministry of Education and Science of the Republic of Kazakhstan, including the main provisions of the State Program for the Development of Education of the Republic of Kazakhstan for 2011-2020.

The Department is working with the UNESCO Institute for Statistics on ISCED 2011 in the UNESCO database, studying methodologies for computational statistics.

According to the results of the set data and processing, analysis of statistical data, the Department ensures the transfer of statistical data to the Committee on Statistics, publishes the annual National Compendium "Statistics of the Education System of the Republic of Kazakhstan", to completed UNESCO Education Questionnaires.
